FIBER TO THE HOME

Fiber to the Home

Fiber-optics are used extensively throughout our network to deliver fast and reliable service. Fiber is the backbone infrastructure that carries all voice and internet traffic throughout our network and to the outside world. WCVT is constantly expanding our fiber-to-the-home network, serving more businesses and residential customers with fiber-optics each and every year. We are currently in the process of replacing the copper facilities in select areas with state-of-the-art fiber-optics. While it will take time to reach all of our customers with fiber, WCVT is continually investing in the network to provide faster speeds and deliver next-generation technology available to its customers.

Get Ready for Lightning-Fast Internet with Fiber Optics!

We're excited to bring you the next generation of high-speed internet technology, which is all part of our commitment to keep you connected today and tomorrow. Fast and reliable internet is what you want, and that's what we deliver!

Fiber will enable you to access services including ultra-fast internet with speeds up to one Gig — the equivalent of 1,000 Mbps. With Gig speeds, a 2-hour movie can be downloaded in as fast as 8 seconds!

Faster Internet Speeds

Fiber optics have a much greater capacity than traditional copper lines. This means the capability for faster and much more consistent Internet speeds. With Fiber, you'll get speeds up to 1 Gig – that's 100 times faster than a common 10 Mbps residential connection!

Greater Reliability

Fiber-optic cables are less susceptible to glitches than traditional copper wires and can withstand the shock and vibration from inclement weather. This means you can look forward to a virtually trouble-free internet connection.

Enhanced Flexibility

Fiber is considered to be a future-proof technology. It can deliver not only the services WCVT now offers but also the services which may be developed in the years to come.

Visit getfiber.wcvt.com to see if our fiber internet service is available at your location.

CALLING FEATURES & SERVICES

ANONYMOUS CALL REJECTION

Allows you to block incoming calls from a person who will not allow their telephone number to be displayed on a Caller ID device.

TO ACTIVATE:

- 1) Press *77.
- 2) The caller will hear an announcement indicating the call can not be completed.

TO DEACTIVATE:

- 1) Press *87.

■ **Service rate is \$2.25 per month.**

Note: Caller ID is necessary to use Anonymous Call Rejection

ANONYMOUS CALL SCREENING

Allows you to screen all calls from a person who is blocking their name/number from appearing on your Caller ID box. Callers will receive an automated message advising **“the number you have reached does not want to accept calls from telemarketers. If you are a telemarketer, please add this number to your do not call list and hang up now. All other callers may press “1” if they wish to complete the call.”** All other callers whose Caller ID information is transmitted, will not receive the automated greeting above and the call will be completed.

TO ACTIVATE/DEACTIVATE:

- Dial *98 from the line that the service is programmed on.
- A message tells you whether Anonymous Call Screening feature is currently turned on or off.
- Follow prompts to activate/deactivate feature.

■ **Service rate is \$2.25 per month.**

Note: Caller ID is necessary to work with Anonymous Call Screening.

ASSISTANCE SERVICE—HOT LINE / WARM LINE

Both **hot line** and **warm line** Assistance Service provide direct, automatic routing of outgoing calls to a single pre-selected telephone number.

A **hot line** telephone cannot be dialed. When the receiver is lifted, the line is programmed to immediately call a preprogrammed phone number.

A **warm line** uses a standard telephone. The line is programmed to automatically route a call to your predetermined telephone number after the receiver is off the hook for 10 seconds (shorter or longer pauses are available). If a number is dialed during the timing period, the programmed number is cancelled and the dialed number processed. For the elderly or disabled, the line can be routed to the telephone operator for call assistance.

Regular incoming calls can be received on both hot line and warm line telephones.

■ **Service rate is \$.89 residential/
\$1.89 business per month**

CALL BLOCKING

You can block access to any 800, 855, 866, 877, 888, 900 or 976 number.

■ **This service is available at no charge.**

TO RECEIVE THE CALL:

- 1) Place your current call on hold by briefly pressing the switchhook or flash key. The waiting call will then be on the line. You may alternate between the two calls by briefly pressing the switchhook or flash key.

Or you may:

- 2) End the first call and hang up. Your phone will ring with the second call. The cancel option allows you to temporarily cancel Call Waiting and avoid interruptions.

BEFORE YOU PLACE A CALL:

- 1) Press *70.
- 2) Enter the number you are calling.
- 3) Call Waiting will be automatically restored when you hang up.

DURING A CALL:

- 1) Press the switchhook briefly to place the current call on hold.
- 2) Press *70 and listen for confirmation tone.
- 3) You will be automatically returned to your current call.

Call Waiting is automatically restored when you hang up.

■ **Service rate is \$2.25 residential/\$3.25 business per month and includes Cancel Option.**

NOTE: Three Way Calling is necessary to use the cancel option during an established call.

CALLER ID BLOCK

Allows you to automatically block the Display Device of your telephone number on a Caller ID display device on a full time basis. You must call Waitsfield and Champlain Valley Telecom at 496-3391 to request Per Line Blocking for your telephone line.

TO CANCEL FOR ONE CALL ONLY:

- 1) Press *82.
- 2) Dial the telephone number you wish to call.

NOTE: For both Per Call and Per Line Blocking, your number will be transmitted when you place a call to 800, 855, 866, 877, and 888 numbers or on calls made to Enhanced 911.

■ **There is no charge for this service.**

- 2) When you hang up, the entire three way conversation is cancelled.

■ **Service rate is \$1.50 per month.**

CALLING FEATURES & SERVICES

TOLL CONTROL WITH PIN

Allows subscriber to dial an authorized code and override toll restriction on a per call basis. Subscribers can manage settings and change PIN via the web interface at www.voicemail.wcvt.com.

HOW IT WORKS:

- After dialing a number that requires an authorized code, the subscriber hears either a continuous or a stutter dial tone, and must enter the code before the call can be set up.
- If a code is not entered, if a non-validated code is too short, or if a validated code is incorrect, an announcement is played informing the subscriber that he or she has not entered a valid code.

■ **Service rate is \$4.00 per month.**

TOLL RESTRICTION

Provides toll restriction from your phone, preventing all direct dialed toll calls.

■ **There is no charge for this service.**

VOICE MAIL

Our Voice Mail system answers your calls when you're on the phone, online, and even when the power goes out. You can access and manage your Voice Mail messages from the Internet, your computer, or via the phone. See page 22 for more information.

LONG DISTANCE DIALING

DIRECT DIALING

Dial 1 + the area code + the seven digit number when using your chosen Long Distance Carrier. To use another Long Distance Carrier, dial the special five digit code for the Long Distance Carrier you want to use, + the area code + the seven digit number.

PERSON-TO-PERSON, COLLECT, CALLING CARD AND BILL TO THIRD NUMBER CALLS

Dial "O" (operator) + the area code + the number. The operator will request the details necessary to complete your call.

All calls, EXCEPT 9-1-1, from semi-public / public telephones must be Collect, Calling Card or Bill to Third Number.

DIRECTORY ASSISTANCE

FOR ASSISTANCE IN DIALING:

Numbers in area code 802:

411 or 1-802-555-1212

Numbers in other area codes:

1-Area Code-555-1212

800, 855, 866, 877, or 888 numbers:

1-800-555-1212

All in-state directory assistance calls is billed at a rate of \$0.90 per call. The rate for directory assistance operator handled calls is \$1.25 per call.

There will be a charge for each out of state and toll free directory assistance call. This charge applies whether or not the Directory Assistance Bureau furnished the requested number (such as in the case of a non-published number).

If you are unable to use a printed telephone directory because of a visual or hearing handicap, you may apply to Waitsfield and Champlain Valley Telecom to obtain a special waiver from these directory assistance charges.

PRE-SUBSCRIBED LONG DISTANCE DIALING INSTRUCTIONS

WHAT IS LONG DISTANCE PRE-SUBSCRIPTION?

You can choose one primary long distance company to process your long distance calls. This is called "pre-subscription". When you notify Waitsfield and Champlain Valley Telecom which long distance company you have chosen, we will wire your telephone line in our central office to pre-subscribe your line. When you dial a call from that line, you will dial "1" or "00" plus the area code and seven digit number. Your calls will automatically be routed to the long distance company you have chosen. You may pre-subscribe to one primary long distance company for each main telephone line (not each extension) you have. If you wish, you may select a different company for your in-state toll calls than you select for your interstate toll calls.

To decide which long distance company is right for you, contact the companies directly to get information about their rates, billing, their procedures for establishing an account, and any other information you need to plan your long distance service. A list of carriers is located on page 25.

WHEN YOU ARE AWAY FROM YOUR PRE-SUBSCRIBED TELEPHONE LINE

Dialing instructions are different when you make calls away from your pre-subscribed telephone line. Be sure to follow the instructions provided by your long distance company.

DIALING DIRECT FROM YOUR PRE-SUBSCRIBED LINE USING YOUR PRIMARY LONG DISTANCE COMPANY:

TO PLACE A DIRECT DIALED CALL:

1 + Area Code + seven digit number
(Area codes are listed on pages 29-30)

TO PLACE SPECIAL TYPES OF CALLS:

When making a special type of call
(Credit Card, Collect, etc.):
0 + Area Code + seven digit number

This call will automatically be routed to Verizon Operator Services. To contact your primary long distance company, dial "00" to verify their specific instructions. If you are making an international call, see the instructions on page 28.

DIALING DIRECT FROM YOUR PRE-SUBSCRIBED LINE USING OTHER LONG DISTANCE COMPANIES

You can use other long distance companies, too. When your telephone line is pre-subscribed to the primary long distance company of your choice, you can still use other companies as well.

Instead of dialing "1" (plus the area code and number), you have to dial a special code assigned to that long distance company for their customers' use (then dial the area code and number).

LONG DISTANCE CARRIERS

CHOOSING YOUR IN-STATE & OUT-OF-STATE LONG DISTANCE CARRIER

The following is a list of carriers currently offering long distance service within Waitsfield and Champlain Valley Telecom's serving area. When selecting a long distance carrier it is important to consider several factors: how many long distance calls you make each month, the length of these calls, the time of day you usually make these calls, the geographic location you call, the per minute rate of the provider and any monthly fees, minimums, and other surcharges. Specific rate information can be obtained by contacting the long distance carrier directly at the numbers listed below.

Once you have chosen a carrier, be sure to establish a billing account directly with that company. We also recommend that you contact the carrier you're changing from to avoid any continued monthly charges that they may bill you if you do not contact them. Once you make your selection and initiate a change of carrier, please contact our business office at 800-496-3391 to confirm the long distance carrier is correctly provisioned.

CONSUMER INFORMATION

YOUR RIGHTS & RESPONSIBILITIES

Your complete satisfaction is our ultimate goal and we will make every effort to correct any problems you might be having. The following information describes our customers' rights and responsibilities, summarizes additional calling services and provides additional contact information to help you answer any additional questions or concerns you may have. Please don't hesitate to contact our Customer Service Department at 800-496-3391 or visit us online at www.wcvt.com for further information.

YOUR TELEPHONE BILL

Our goal is to provide you with a clear, easy to read billing statement, while ensuring we meet all state and federal guidelines. Each month you will receive a detailed billing statement listing the charges for the services you subscribe to. It is very important to review your bill thoroughly. Your bill includes charges for local service, optional calling features, Internet and Cable TV services.

If you believe that you were improperly charged for services, you can dispute the charges and request that the company remove them from your bill. As your local telecom provider, we remind you that as part of our service commitment, our business office is always available to answer any questions you may have about your bill. If you have any difficulty in contacting the service providers listed on your bill, or if you're not satisfied with the response you get, please contact our Customer Service Department at 800-496-3391 and we will do our best to help you resolve the problem.

Your bill also clearly details when payment needs to be received, various payment options available, and contact information for Waitsfield and Champlain Valley Telecom. Should you have any questions regarding your bill, please contact our Customer Service Department.

UNRESOLVED COMPLAINTS OR PROBLEMS

Our goal is to satisfy our customers, and we welcome opportunities to improve our service. If you have a question, problem or complaint with services provided by Waitsfield and Champlain Valley Telecom, please contact our Customer Service Department (see How To Reach Us – page 2). If you are still unsatisfied, please ask to speak to a manager, or you may contact the

METHODS OF APPLYING FOR TELEPHONE ASSISTANCE

LIFELINE PROGRAM

Lifeline is a federal program that lowers the monthly cost of phone and internet. Eligible customers will get up to \$5.25 toward their bill. You can only use Lifeline for either phone or internet, but not both. The Universal Service Administrative Company (USAC) has been contracted by the Federal Communications Commission (FCC) to oversee the Lifeline program across the country. For more information and to see if you qualify, visit: www.lifelinesupport.org or call 1-800-234-9473.

PRIVACY

Confidentiality issues are of paramount concern to all of us, and protecting your records is a priority. We strive to maintain high standards for the protection of our customer's privacy and follow rules as governed by the State and FCC. WCVT has established standard policies relating to employee access to customer records and we provide training to our employees about their obligations to protect customer information and to treat it confidentially.

YOUR TELEPHONE ACCOUNT INFORMATION RIGHTS

Unless we have your authorization and approval, Waitsfield and Champlain Valley Telecom does not disclose customer information to non-affiliated third parties. However, we may internally use this information to offer you certain other WCVT services such as Internet access and long distance, but only to the extent permitted by government regulations and customer notice and consent requirements.

CONSUMER PROTECTION TIPS

BE AWARE OF SLAMMING AND CRAMMING

Slamming is the unauthorized and illegal switching of a customer's preferred long distance company. Federal and state laws prohibit "slamming."

Many times, "slammers" use contest forms or a check made out in your name to effect a change in your account status. Whether or not you realize it, sometimes your signed sweepstakes entry form or an endorsed check is actually a "letter of authorization" giving approval to switch your long distance provider. You may only discover that you have been "slammed" when you receive your bill.

Customers who believe they've been slammed; i.e., that there has been an unauthorized change in their long distance carrier selection, should inform us immediately. Once we receive notification of an unauthorized long distance carrier change, we will advise you of the following:

- Notify you that there is a 30-day absolution period and that you should not pay those charges on your bill.
- Contact your authorized carrier; i.e., your preferred carrier prior to the alleged slamming, to re-establish a long distance calling plan with them.

CONSUMER INFORMATION

- Contact the unauthorized carrier immediately regarding the charges. You are entitled to be switched back to the long distance provider of your choice at no charge and to have any disputed charges billed at your original company's rate.
- If the unauthorized long distance provider refuses to comply with your request, you may write a detailed letter to the Federal Communication Commission (FCC) at the following address for help in resolving the dispute:

**Federal Communications Commission
Common Carrier Bureau
Consumer Complaints
445 12th Street, SW
Washington, DC 20554**

To protect against slamming, local telephone companies offer a preferred carrier (PIC) freeze, which prevents any change being made to your selection of a "preferred" long distance provider without your expressed consent to lift the freeze. We make PIC freezes available to customers, regardless of the company selected as the preferred long-distance carrier, and comply with various requirements on the materials we send out about PIC freezes. In addition to specific information about any charges, we also include a clear explanation and description of the specific procedures necessary for you to lift the freeze.

You must request separate PIC freezes for:

- (1) regional (intra-LATA/intrastate) long-distance service, and
- (2) state-to-state (interstate/inter-LATA) and international long-distance service. We must obtain separate authorizations for each service for which you request a freeze.

"Cramming" refers to any charges you find on your bill for services you did not authorize. The charges can be for many things; e.g., voice mail, personal 800 numbers, 900 services, sweepstakes, and other services. We exercise a word caution when signing up for free items on the Internet as they can also include as authorization for charges that can appear on your telephone bill. Make sure to read all disclaimers ensuring no additional charges or services will be assessed to your telephone bill.

"Cramming" charges generally appear on a separate page of your bill with the billing company's name and contact information. We recommend that you review your bill thoroughly every month to ensure charges being assessed are legitimate. If you suspect a charge has been "crammed" onto your bill, call the company that charged you. Ask for an explanation of the charge and request adjustments or refunds for incorrect or unauthorized items. Since company information can often be hard to get, you can also call us. We have procedures in place to help you respond to incorrect charges listed on your bills.

OBSCENE, THREATENING OR HARASSING CALLS

If you receive an obscene, threatening or harassing call, hang up quietly. Arguing, talking back, raising your voice or slamming down the phone may encourage additional calls. Make sure everyone in your home, especially children, knows how to handle these calls.

If calls persist, contact Waitsfield and Champlain Valley Telecom about Call Trace options. Call Trace allows Waitsfield and Champlain Valley Telecom to provide law enforcement officials with call identifying information from harassing or obscene phone calls under certain circumstances after an investigative file has been opened. If you would like to make arrangements for call trace, please contact our Customer Service Department at 1-800-496-3391 for information about the procedures that will need to be followed. A service rate of \$4.00 per use (\$12.00 maximum per month) is charged only when you activate a trace.

HOW TO REDUCE UNWANTED TELEMARKETING AT HOME

Many people find that telemarketing calls provide them with valuable information about products and services. But if you would rather not receive these calls, a National Do-Not-Call Registry has been established to address consumer concerns about unwelcome telemarketing calls.

The registry applies to all telemarketers (with the exception of certain non-profit and political organizations) and covers both interstate and intrastate telemarketing calls. Commercial telemarketers are not allowed to call you if your number is listed on the registry.

You can register any of your phone numbers for free, and they will remain on the National Do-Not Call Registry indefinitely. You may remove your name from the list at any time. **The Do-Not-Call Registry will not prevent all unwanted calls.**

THE NATIONAL DO-NOT-CALL REGISTRY DOES NOT PREVENT CALLS:

- from organizations with which you have established a business relationship;
- for which you have given prior written consent;
- that are not commercial or do not include unsolicited advertisements;
- from or on behalf of tax-exempt; or
- non-profit organizations.

TO REGISTER BY TELEPHONE:

Consumers may call 1-888-382-1222.

For TTY users, call 1-866-290-4236.

You must call from the phone number you wish to register.

TO REGISTER BY INTERNET:

Visit the National Do-Not-Call Registry website at www.donotcall.gov

Inclusion of your telephone number on the National Do-Not-Call Registry will be effective 31 days following your registration.

CALL SCREENING:

Waitsfield and Champlain Valley Telecom also offers a Telemarketer Call Screening service. For more information please see page 20.

Important Information Regarding Vermont Relay

Did you know that many Vermonters who are deaf, hard of hearing, or have speech disabilities can now enjoy the convenience of communicating with family, friends or business contacts by telephone? They can, thanks to the Vermont Relay!

Here's how Vermont Relay works:

A person who is deaf, hard of hearing, or may have a speech loss types his/her conversation using a text telephone (TDD/TTY). A specially trained Communications Assistant (CA) relays the message by reading the text message to the hearing person at the other end. The CA then relays the hearing person's spoken words by typing them back to the TDD/TTY user.

Hearing callers who wish to reach people who are deaf, hard of hearing or speech disabled may simply dial 711 or dial 1-800-253-1095. Text telephone users may also dial 711 or dial 1-800-253-0191. There is no charge for dialing 711, and all options available to Vermont Relay users through existing 800 numbers are available to 711 users. If you are experiencing trouble dialing 711 to reach the Vermont Relay, please call the local telephone company or Vermont Relay Customer Service.

Relay services are also available for people with Speech Disabilities. Speech-to-Speech service lets people with speech disabilities communicate on the telephone by using their own voice, or voice-assisted device, through the help of a specially trained CA by dialing either 711 or 1-877-253-0446.

Spanish Relay Service is available to Spanish speaking residents of Vermont. To place a Spanish relay call, dial 877-253-5424 (Spanish-to-Spanish) or 1-877-253-7244 (Spanish-to-English).

CapTel®, short for captioned telephone, is a service that allows users to hear and read what the person they are calling says. CapTel users place calls just as if they were using a standard telephone. CapTel service uses specialized operators and enhanced voice recognition technology that displays verbatim captions of the conversation on the screen of a CapTel phone or a computer screen. For more information, go to www.vermontrelay.com/captel

All services are available 24 hours a day, seven days a week and enable people to place relay calls between Vermont and other locations anywhere in the United States and internationally to English and Spanish speaking persons. By law, each conversation is handled with the strictest confidentiality. There is no charge to access Vermont Relay.

To learn more about Vermont Relay, visit the website at www.vermontrelay.com

Special points of interest:

- **Equipment Distribution Program** If you want to learn about the Vermont Relay Distribution Program, please contact The Vermont Center for the Deaf and Hard of Hearing at www.vcild.org/services/vtedp or call **1-800-639-1522** toll free (ask for EDP). You may also contact the Vermont Department of Public Service at **1-802-828-2811** (Voice) or **1-800-734-8390** (TTY)
- **Emergency Calls** Please note that 711 is only to be used to reach Vermont Relay. For **EMERGENCIES** you should continue to use 911. In an emergency, call 911 or your local emergency service TTY number directly, without using relay. The Americans with Disabilities Act (ADA) requires that 911 centers have TTYS and be prepared to handle emergency calls placed in this manner. Vermont Relay will make every effort to assist you in an emergency. However, it is important to understand that relay centers are not 911 centers and do not assume responsibility for emergency calls.

To place a call, dial 711 or use one of the numbers:

FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON. IP Captioned Telephone Service may use a live operator. The operator generates captions of what the other party to the call says. These captions are then sent to your phone. There is a cost for each minute of captions generated, paid from a federally administered fund. No cost is passed on to the CapTel user for using the service. Although CapTel can be used for emergency calling, such emergency calling may not function the same as traditional 911/911 service. By using CapTel for emergency calling you agree that T-Mobile is not responsible for any damages resulting from errors, defects, malfunctions, interruptions or failures in accessing or attempting to access emergency services through CapTel whether caused by the negligence of T-Mobile or otherwise. Restrictions apply. See t-mobile.com/captel for details. T-Mobile, the T logo, Magenta and the magenta color are registered trademarks of Deutsche Telekom AG. © 2021 T-Mobile USA, Inc. FINAL DISCONNECTION NOTICE INFORMATION

(800) 496-3391

1. Your service will be disconnected unless you do one of the following before 3:00 PM on the Must Be Paid On Or Before date printed on your Final Disconnection Notice. A reconnection fee of \$30.00 for each service must be paid in order to restore service.

- A. Pay your overdue local service balance in full. (All Other Services, including the services and discounts associated with any bundle, may still be disconnected if you elect to pay only your Local Service past due balance. Please see the reverse side of this notice for additional information for bundled services customers.)
- B. Enter into an arrangement to pay the overdue balance within three months.
- C. Deny that your local service balance is past due in excess of \$50.00; and submit the dispute to the Vermont Public Utility Commission to their satisfaction to obtain a commission order prohibiting disconnection.
- D. Inform us that you or a family member has a medical emergency, as defined on the reverse of this notice, and provide a medical emergency certificate within 7 days. This exception applies only if the service to be disconnected is your primary residential telephone service.

2. If you are unable to pay the **Local Service past due** amount in full, we will negotiate a reasonable arrangement. If you wish to discuss this matter with us, you should immediately contact our Customer Service Department before the disconnect date at 1-(800)-496-3391, Monday through Friday except holidays, between the hours of 8:00 AM and 5:00 PM.

If you do not believe the terms of your repayment plan are reasonable, you may contact the:

**Consumer Affairs Division of the Vermont
Department of Public Service at:**

- 1-(800)-622-4496, or
- TTY 1-(800)-734-8390 (toll free in Vermont) or
- 1-(802)-828-2332,
- 112 State Street,
Montpelier, Vermont 05620-2601,
on any day, Monday through Friday, except holidays
between 7:45 AM and 4:30 PM.

The Consumer Affairs Division can give you advice and assistance negotiating an agreement or give you information on how to submit a dispute to the Public Service Board.

3. If your service is disconnected, you will be charged a reconnection fee of \$30.00 per line and also, a security deposit equal to two-twelfths of your estimated annual local bill. The security deposit may be paid in installments.

CONTINUING EMERGENCY ACCESS (CEA)

If your main telephone number has been disconnected due to a move or non-payment, you will still have the ability to make 911 calls for at least 180 days. After your residential line has been disconnected, Continuing Emergency Access (CEA) is provided to your Network Interface Device so that you can reach 911 in case of an emergency as well as Waitsfield and Champlain Valley Telecom for any questions you may have about your telephone service.

With regard to listings in the "White Pages," and listings and/or advertisements in its "Yellow Pages," we also assume or admit to no liability for any error or omission in connection therewith, except as provided in the applicable tariffs on file with the appropriate regulatory authorities, or as provided in the terms and conditions applicable to any placement of advertising. In the event of any such error or omission, please notify us immediately at (800) 496-3391. We will correct or change the listing at once in our directory assistance records, but cannot make any written changes to this Directory until the next edition is published.

LINE CONSTRUCTION POLICY

(As set forth in Section 7.0 of Tariff #5, filed with the Vermont Public Service Board)*

Waitsfield and Champlain Valley Telecom (WCVT) will provide 500 feet of normal construction at no charge to customers. Beyond 500 feet the customer's cost is \$1.75 a foot. NOTE: For existing customers requesting a change to their facilities, there will be construction charges associated with the change.

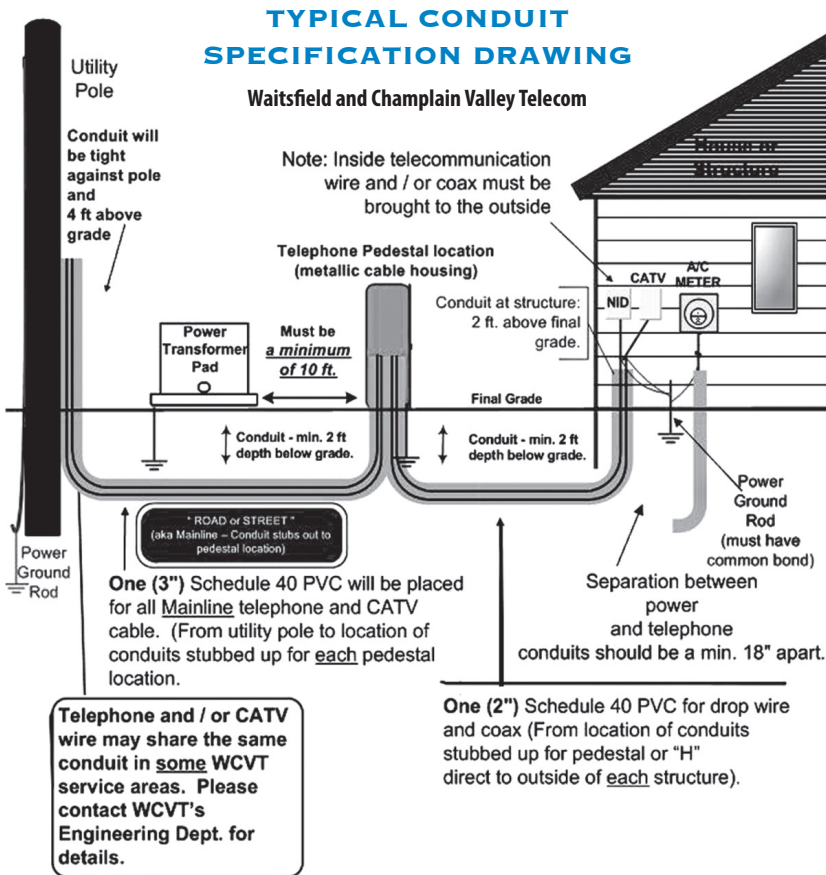

Waitsfield Cable will provide 1,300 feet of normal cable television (CATV) construction at no charge. Beyond 1,300 feet, the customer cost is \$1.25 per foot. NOTE: For existing customers requesting a change to their facilities, there will be construction charges associated with the change.

If an additional customer utilizes any portion beyond 500 feet within three years of its construction,

the original customer will receive a prorated refund. WCVT's Engineering Department handles all quotes for specific construction charges and rebates.

It is WCVT's Company Policy to comply with the National Electric and Safety Codes, as well as the specifications of the manufacturer's of cable, equipment and systems within the telecommunications industry.

In general, WCVT's construction is overhead, placed on jointly used power poles. The following specifications must be met if a customer requires buried service:

LINE CONSTRUCTION POLICY

CONDUIT REQUIREMENTS:

1. A minimum 2" schedule-40, PVC electrical conduit must be placed to customer's demarcation point (NID location). The conduit must be swept up at least 2 ft at both ends with electrical sweeps, not plumbing elbows.
2. 3" conduit must be placed on all main line feeds. (Ex: from pole to pedestal or from pole to "H" frame / Pressure Treated 4x4 Post or from pedestal to pedestal). This excludes service drops. Maximum distance between pull points will be 500 feet.
3. Conduit will be 4 feet above final grade at utility pole location (plumb and tight to utility pole).
4. Conduit will be 2 ft above final grade at pedestal, "H" frame / Pressure Treated 4x4 Post and on the outside of house or structure.
5. Conduit at mobile home – Preferred Method: Conduit will be tight to the trailer on the outside of skirting. Optional Method: Conduit run will be a maximum of 2 feet from structure on the outside of skirting to a Pressure Treated 4x4 Post or "H" frame. The Pressure Treated Post or "H" frame will be a minimum of 4 feet above final grade.

6. All conduits must have a pull rope (no mason string – this will not be accepted) installed with both ends of the conduit above final grade and securely capped. Pull rope will be continuous, no knots and no splices.
7. Telephone conduit should be placed on the left side of the power conduit (facing structure) and a minimum of 18" away from the power conduit. (See #11)
8. Do Not Reduce conduit size.

*Note: Please visit our website at www.wcvt.com for our complete Line Construction Policy detailing conduit placement, bonding and grounding information and customer wiring requirements or contact our Engineering Department at 1-800-496-3391.

TROUBLESHOOTING

TIPS FOR TROUBLESHOOTING...

...YOUR TELEPHONE CONNECTION

If you are having problems with your telephone line, please try these easy steps before contacting our Repair Department.

Start by Checking Your Telephones

- Determine if the problem resides on one or all of your telephones.
- If the problem is with only one telephone, test that telephone in another jack. If it still doesn't work that telephone is probably bad.
- If the telephone works in a different jack, go back to the jack where the trouble started and test it again with a different telephone. If neither telephone works, there may be a problem with the wiring to that jack.
- If neither of your telephones work after testing each telephone and jack separately, the problem may be in your wiring.

How to Check Your Wiring

Follow these easy steps to determine if the trouble is your responsibility or ours (see figure 2).

- Locate the Network Interface Device (NID) typically located on the outside of your home or business
- Disconnect the modular plug from the test jack (see figure 1).
- Plug a working telephone into the "test jack" with a modular line cord. If you receive a dial tone, the problem is with your wiring or equipment.
- If you do not receive a dial tone, the problem is most likely with our facilities. Please contact our Repair Dept. at: **1-800-496-3393.**

If You Don't Have a NID

If you follow the trouble shooting tips and determine that there may be a problem with your wiring, but cannot locate a Network Interface Device (NID), call our repair department and explain the situation.

...YOUR INTERNET CONNECTION

If you are having problems with your Internet connection, please try the following before contacting technical support:

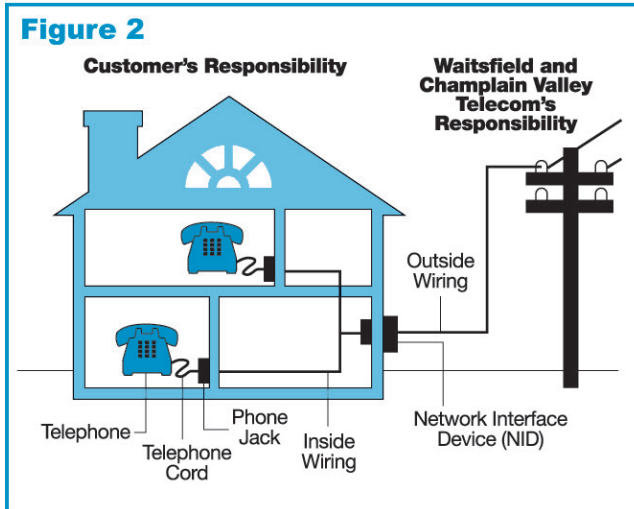

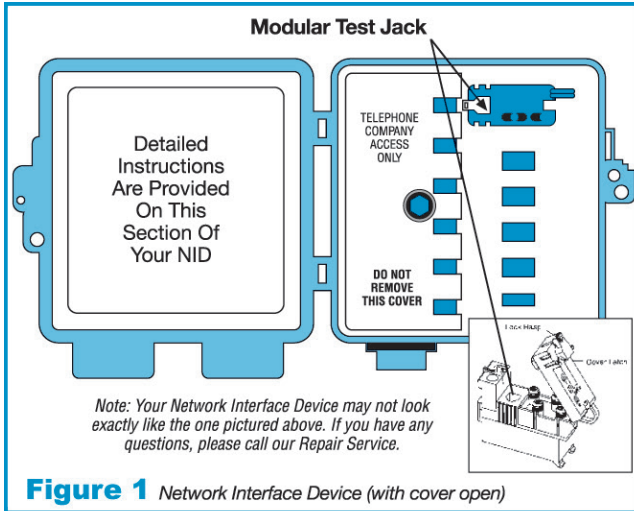

- Try rebooting (powering down & then up) your computer and modem. This easy step solves 50% of the problems that our technical support staff deals with on a daily basis.
- If you are not able to connect to the Internet make sure that all of your cables are connected. If they are, check for a dial tone. If there is no dial tone, you should contact our repair department. If you continue to experience technical difficulties, please have the following information available and contact our Tech Support Dept. at: **1-802-496-8598 or 1-888-321-0815.**
- Have as much information as possible. If your computer locks up, know what program is running. If you receive an error message, write it down.
- Before you call, be at your computer and have it turned on. Our technicians may have to ask for specifics regarding your computer configuration in order to fix the problem.

TROUBLESHOOTING

WIRE MAINTENANCE PLAN

For only \$5.95 a month, you can subscribe to our Wire Maintenance Plan.

The plan is designed to reduce the cost of possible repair charges to the customer and covers the inside wiring and at the customer's residence or business.

POINTS OF INTEREST

CHIMNEY POINT STATE HISTORIC SITE

**Junction of Routes 17 and 25 at the Champlain Bridge,
Addison, VT; (802) 759-2412**

Website: www.historicvermont.com

At different times, Native Americans and French colonists settled along the shores of Lake Champlain at Chimney Point. Exhibits at the 18th-century tavern explore this part of Vermont's heritage and include the state's largest collection of Native American and early French archaeological material. Contact person: Audrey Porsche, Regional Historic Site Administrator, Vermont Division for Historic Preservation Hours and Admission: mid-May to Columbus day, Wednesday - Sunday 9:30 AM - 5:00 PM. Adults \$2, Children free.

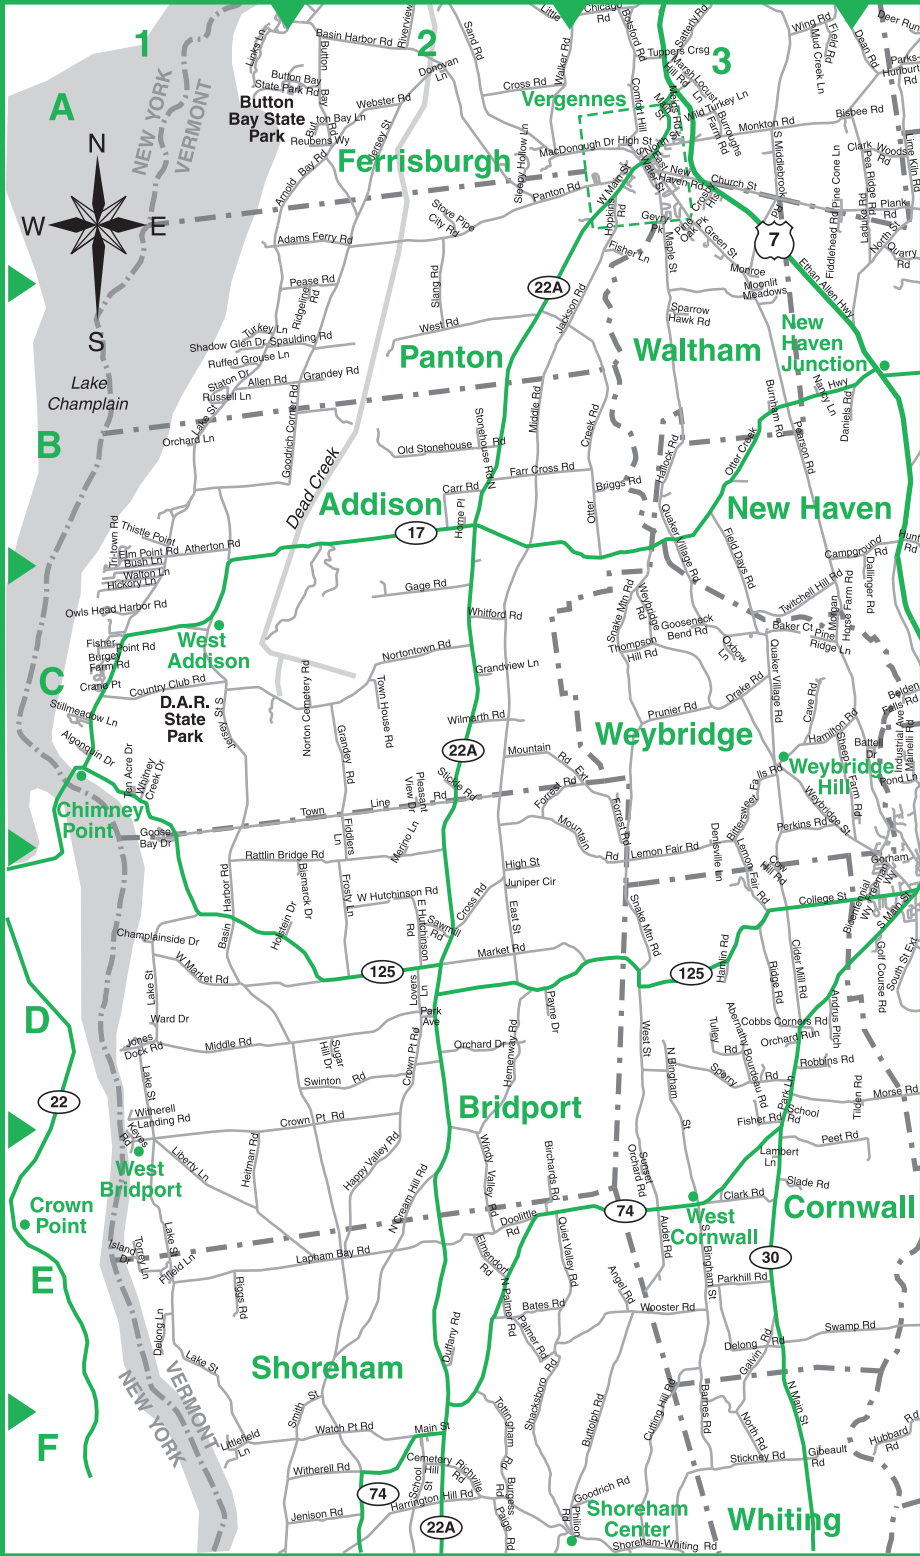

UVM MORGAN HORSE FARM

**74 Battell Drive
Weybridge, VT 05753**

Phone: (802) 388-2011 Fax: (802) 388-0844

E-mail: uvm.morgans@uvm.edu

A small admission is charged to visit the grounds, with special rates for school tours and other groups by advance arrangement. Visiting hours are 9:00 - 4:00 daily, from May 1 - October 31. Tours are available on the hour. The farm's gift shop offers hundreds of horse related gift items.

POINTS OF INTEREST

LAKE CHAMPLAIN MARITIME MUSEUM:

4472 Basin Harbor Road, Vergennes, VT, 05491

Call (802) 475-2022 and Fax (802) 475-2953

E-mail us at info@lcmnm.org.

There are over a dozen exhibit buildings at The Lake Champlain Maritime Museum at Basin Harbor. These present the maritime history and nautical archeology of the Champlain Valley through hands-on interactive learning stations, video and audio displays, historical artifacts and images. Long term exhibitions are enhanced by new research, new acquisitions and special short-term installations each season.

ROKEBY MUSEUM:

Attn: Jane Williamson, Director

4334 Route 7, Ferrisburgh, VT 05456

Phone: (802) 877-3406.

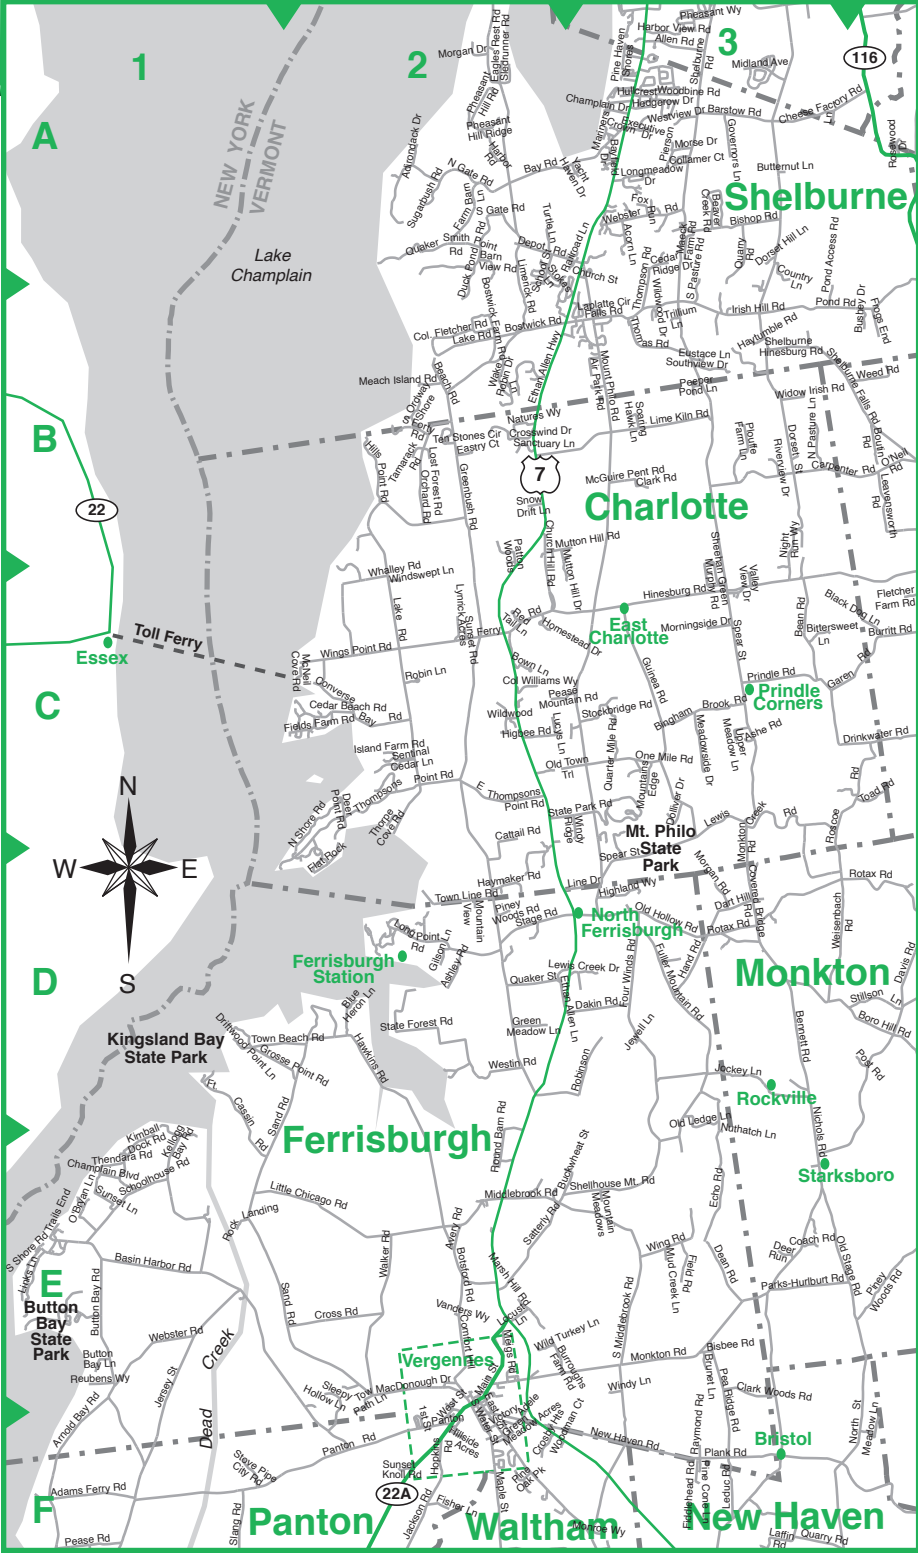

The Rokeby Museum is a National Historic Landmark and 90-acre historic site located on US Route 7 in Ferrisburgh, Vermont. The site includes a house fully furnished with family belongings spanning more than 200 years and eight outbuildings, all of which are open to view. Rokeby is open from mid-May to mid-October each year, and there are several different ways for you to see it.

MT. PHILO STATE PARK

The 168-acre park is located atop Mt. Philo (968' elevation) and overlooks the Lake Champlain Valley and the Adirondack Mountains of New York. A narrow, steep road (not recommended for trailers) provides visitors access to the top of the mountain. This is Vermont's oldest state park, created in 1924. A small camping area with a total of 10 sites including 3 lean-tos, is located at the top of the mountain. Flush toilets and hot showers (\$) are provided. The mountaintop picnic area offers spectacular views of the lake, valley, and mountains to the west. An enclosed picnic shelter is available for large group gatherings. Hiking trails lead from the summit to the base. Swimming is available at Kingsland Bay State Park (6 miles) or Button Bay State Park (15 miles). There is boating, fishing, and sailing in nearby Lake Champlain.

CHARLOTTE TOWN BEACH

Located on Lake Road near the Holmes Covered Bridge, open to residents and non-residents. Beach stickers are available at the beach, which is open 9 A.M. to 9 P.M. daily, Memorial Day through Labor Day. Seasonal stickers cost \$10 for residents and \$20 for non-residents. Season stickers for a second vehicle cost \$2. Seasonal windsurfing passes cost \$20 for residents and \$40 for non-residents. Day stickers cost \$1 for residents and \$2 for non-residents.

HINESBURG AREA ASSOCIATIONS

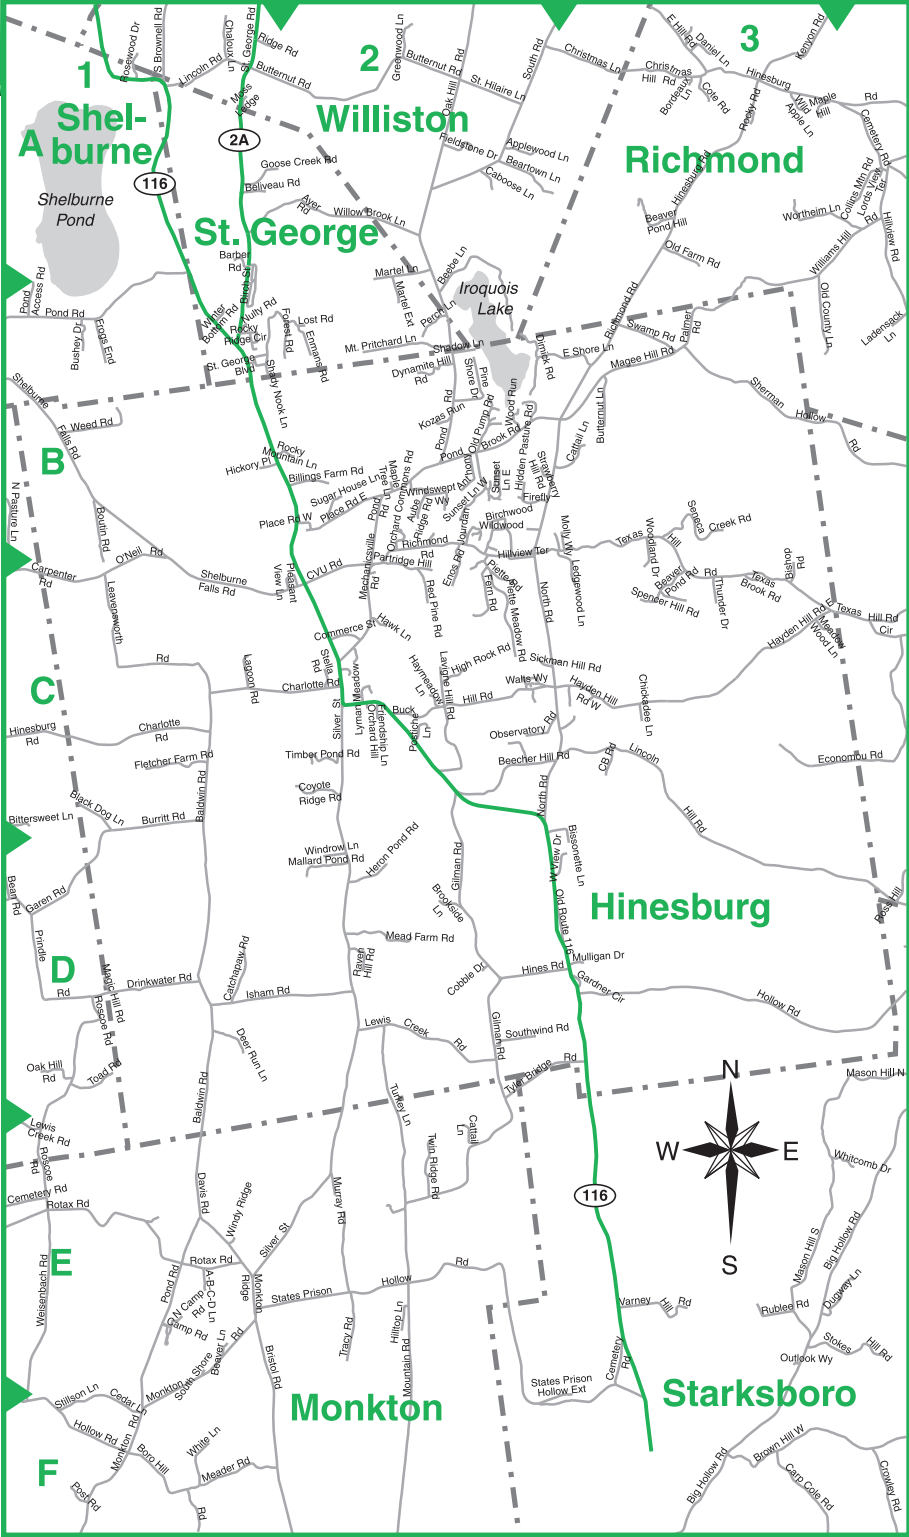

HINESBURG BUSINESS & PROFESSIONAL ASSOCIATION

The Hinesburg Business & Professional Association is "here to encourage Hinesburg businesses to work together." The HBPA is dedicated to promoting economic stimulation of the local business community and community service. Visit www.hinesburgbusiness.com for more information.

LEWIS CREEK ASSOCIATION

Lewis Creek doesn't follow arbitrary town and county lines; gravity, geography, and geology have a greater say in its course. The creek and its tributaries run freely through the watershed towns of Bristol, Charlotte, Ferrisburgh, Hinesburg, Monkton, and Starksboro, and cross the boundary from Chittenden to Addison County. Since 1990, the Lewis Creek Association (LCA) has been working with these towns and their citizens to protect the Lewis Creek, its tributaries, and the watershed as a whole. With a hard-working volunteer board and a part-time paid consultant, the LCA offers educational and monitoring programs involving hundreds of volunteers, facilitates the conservation of riparian habitat, and re-vegetates the Lewis Creek stream bank.

To leverage our activities, we cooperate with local landowners; businesses; local, regional, state and federal agencies and organizations. LCA helps to conserve significant tracts of riparian and upland habitat; and involves hundreds of adults and students with re-vegetating Lewis Creek stream banks, testing water quality, evaluating stream channel stability, restoring natural communities and wildlife habitat, and citizen-based watershed planning. For more information, visit www.lewis creek.org.

Chittenden Solid Waste District owns and operates seven Drop-off Centers located throughout Chittenden County. All Drop-Off Centers accept basic household trash, recyclables and food scraps. CSWD Drop-Off Centers also accept additional items, such as electronics, scrap metal, appliances, tires, textiles, and used motor oil. Visit www.cswd.net for a complete list of fees and materials accepted to learn what you can recycle, or dispose of, at all of our Drop-Off Center locations.

Below is a list of each Drop-Off Center, its location and hours. Certain holidays may affect hours of operation. Please note, Drop-Off Centers are a primarily do-it-yourself operation. In the event an item is too large to handle, Drop-Off Center operators are usually available to assist and a \$5.00 handling fee will be charged. Customers may have to wait until the operator is not busy, and the operator does reserve the right to refuse assistance if they have concerns about handling a particular item.

GEPRAGS PARK TRAILS

Town: Hinesburg
Length: 2 miles
Surface: Grass and dirt trail
Trailhead: From Hinesburg Town Hall, go North on Route 116 for 0.8 miles. At the traffic light, turn left onto Shelburne Falls Road. Follow Shelburne Falls Road for 0.5 miles. The parking area for Geprags Park is on the right. The trailhead is located a few yards up the hill from the parking area.
Features: Over two miles of foot trails on conserved public land

HINESBURG TOWN FOREST

Town: Hinesburg and Huntington
Length: 18 miles
Surface: Forest floor, roots, rocks
Trailhead: Take exit 11 off I-89 in Richmond. From the light in the center of Richmond, take Huntington Road to Huntington and make a right onto Texas Hill Road. Go about 1/2 mile and make a left onto Texas Hill Circle. Follow for about 1 mile and make a left onto Economou Road. Follow Economou to the end.
Features: A unique and wonderfully varied 850 acre forest with beginner, intermediate, and advanced single track mountain biking.

RUSSELL FAMILY TRAILS

Town: Hinesburg
Length: 2 miles
Surface: Forest floor, fields
Trailhead: From the Hinesburg Town Hall, travel south on Route 116 for .3 miles. Then turn left onto Lyman Meadows Road. Follow Lyman Meadows Road for 100 yards. Turn left onto Lyman Park Road. Follow Lyman Park Road for 100 yards into the gravel parking area (facing the back of the Catholic Church). To access trails, cross Lyman Park fields in a northeasterly direction to the trailhead located just beyond the baseball diamond.
Features: Pleasant woods and fields trails on a working farm. Features rolling landscape offering vistas of Hinesburg Village and beyond.

GREEN MOUNTAIN AUDUBON CENTER

Town: Huntington
Length: 5 miles
Surface: Dirt trail
Trailhead: All trails can be accessed from the Sugarhouse Parking Area on the Huntington Rd. or the Office/Education Barn parking lot on Sherman Hollow Rd. Trail head signs and yellow markers on the longer trails help to keep users on track.
Features: Enjoy bird watching and wildlife tracking along this relaxing hiking trail network.

RECREATION

HUNTINGTON CENTER RIVER PATH

Town: Huntington
Length: 0.6 mile
Surface: The trail is dirt/mowed fields. Sometimes there isn't really an actual trail; you are walking along the edge of a field next to the river.
Trailhead: From the center of Richmond, turn at the traffic light onto Bridge St, follow past the Round Church, and stay on the main road which takes a sharp right curve after the church. Huntington Village is about 7 miles down this road. Continue through town. Go about 3 miles to the next town, which is Huntington Center. There are 2 places to park. 1) Brewster-Pierce School: take a left onto Camel's Hump Road in the middle of town, and then take the next right to the school parking lot. The trail starts on the far side of the playground. 2) Huntington Recreation Park: past Camel's Hump Rd., you'll see the Fire Station on the right; take a right just after it. Follow to the parking area at the end of this road (the road is actually part of the trail from the school).
Features: A short trail that follows the Huntington River and a small feeder stream, with mountain views including Camel's Hump Mountain.

ALLEN BROOK NATURE TRAIL

Town: Williston
Length: 0.5 mile
Trailhead: Located off the Williston Village Bike Path opposite the right field foul line of the Little League field at Williston Central School.
Features: Wildlife observation boardwalk and a half mile loop, great for a family walk or ski.

FIVE TREE HILL TRAIL

Town: Williston
Length: 1.3 miles
Trailhead: From Tafts Corners in Williston, take Route 2A south 1.5 miles. Turn left onto Old Creamery Road. After 0.75 mile, turn right onto Sunset Hill Road. Follow this road for another 0.75 mile to find a small parking area on the left. The trailhead is on the right side of the road.
Features: Great views on top of Five Tree Hill. Family friendly.

MARSHALL AVENUE BIKE PATH

Town: Williston
Length: 1.4 miles
Surface: 10 foot wide paved path
Features: Urban trail with access to shopping. Nice setback from busy road.

WILLISTON VILLAGE BIKE PATH

Town: Williston
Length: 2.4 miles
Surface: 10 foot wide paved path, includes neighborhood streets
Trailhead: Parking is available at Allen Brook School and the Williston Community Park, behind Williston Central School
Features: Connects Williston neighborhoods, schools, parks and natural areas.

MUD POND COUNTRY PARK

Town: Williston
Length: 4.5 miles
Surface: Single track
Trailhead: From Williston Village, head South on Oak Hill Road. After passing over the highway, turn left onto South Road. Continue on South Road for 2 miles and turn right onto Mud Pond Road. A small parking area is available on Mud Pond Road. Please do not park on South Road. From the parking area, backtrack on South Road 0.1 miles till you see a small wooden bridge over the drainage ditch, on your right with yellow sign/ black arrow at trailhead.
Features: Beginner to Advanced-Intermediate single track.

OAK VIEW HILL TRAIL

at the Isham Family Farm

Town: Williston
Length: 1.2 miles
Surface: Farm fields and dirt trail.
Trailhead: From Route 2: At the 4-way stop in Williston Village Center, go south on Oak Hill Road. The trailhead parking area is on the west (right) side of Oak Hill Road, a few miles from the 4-way stop. From 1-89: Take Williston exit 12. Go west towards Hinesburg at St. George Rd/VT-2A; go .8 miles to Creamery Road. Turn left at Creamery Rd; go 2 miles. Take a slight right at Oak Hill Rd; go almost 1.5 mi to small parking area on right.
Features: Beautiful short loop through farm fields and sugar maples. Trail rises slowly from fields into the woods. It comes back around past a small pond and wooded knoll with a fantastic view across the valley, including Camel's Hump and Mt. Mansfield.

MILLS RIVERSIDE TRAIL

Town: Jericho
Length: 5 miles
Surface: Dirt trail, sometimes uneven ground, muddy in spring, suitable for mountain biking and horseback riding when dry
Trailhead: Located directly off of VT Rt. 15 in the Town of Jericho, just Southwest of River Road
Features: A covered bridge, amazing views of Mt. Mansfield, a pond and pavilion.

RECREATION

MOBBS HILL

Town: Jericho

Length: 3.5 miles

Trailhead: From I-89 Exit 11: Richmond/Williston. Northbound Exit - Right at off ramp stop sign then immediate right on to Route 117 West. Southbound Exit - Left at off ramp stop sign - go 0.2 miles then right on to Route 117 West. Immediate right on to Governor Peck Road (go 2.3 miles). Left at stop sign on to Brown's Trace Road (go 0.1 miles). Left on to Fitzsimonds Road (dirt PLEASE DRIVE SLOWLY!- go 0.8 miles). NOTE: Parking is extremely limited at the Fitzsimonds Rd. lot - 5 cars max. Please park in a way that will accommodate others who arrive after you. Do not block the travel lane on Fitzsimonds Rd. If the lot is full, please go elsewhere. A kiosk with trail information below parking area. Updated maps and signage is in the works.

Features: Large stands of pine and hemlock, mixed hardwood forest. Some open meadow, old apple trees, wrecked cars, steep ascents and descents, areas of exposure along ledgy outcroppings.

MOBBS VALLEY

Town: Jericho and Richmond

Length: 5 miles

Trailhead: From I-89 Exit 11 (Richmond/Williston)Northbound Exit: Right at off ramp stop sign then immediate right on to Route 117 West.Southbound Exit: Left at off ramp stop sign - go 0.2 miles then right on to Route 117 West. Immediate right on to Governor Peck Road (go 2.3 miles). Left at stop sign on to Brown's Trace Road (go 0.1 miles). Left on to Fitzsimonds Road (dirt PLEASE DRIVE SLOWLY!- go 0.8 miles). Parking area on left. NOTE: Parking is extremely limited at the Fitzsimonds Rd. lot - 5 cars max. Please park in a way that will accommodate others who arrive after you. Do not block the travel lane on Fitzsimonds Rd. If the lot is full, please go elsewhere. A kiosk with trail information below parking area. Updated maps and signage is in the works.

Features: Variable terrain, expansive meadows, dense hemlock woods, open hardwood forest overlooking Mill Brook. 5 ravine bridges and a wonderful swimming hole!

OLD RED MILL PARK

Town: Jericho

Length: 0.7 mile

Surface: Dirt trail, moderate to steep at times

Trailhead: Going East on Route 15 into Jericho, turn left just after the Citgo gas station, immediately before the river. Continue a few yards past the Old Red Mill to the parking area.

Features: Historic riverscape with waterfall and pools

JOHNNIE BROOK ROAD TRAIL

Town: Richmond

Length: 1 mile

Surface: Old road bed, bikers should have 'fat' tires

Trailhead: This trail is a link in the Cross Vermont Trail from Richmond to Williston and does not have distinct endpoints where you could park a car. (See note on parking below.) At the northwest, it links with the town-maintained (unpaved) part of Johnnie Brook Road - a sharp turn south beside the Winooski River just west of where Route 2 crosses the Winooski River. After 1.2 miles, Johnnie Brook Rd turns into a driveway. Where the driveway takes a sharp right ('trailhead'), continue straight, downhill, on the old town road. At the southeast the Trail starts on Huntington Road about 0.6 miles west of the Richmond Round Church ('trailhead'). To remain on the Cross Vermont Trail, going east, stay on Huntington Road, to the Richmond Round Church and then take Cochran Road towards Duxbury. To go west, take a left on Route 2 at the end of Johnnie Brook Road, towards Williston, then right on Governor Chittenden Road at the foot of French's Hill. No parking available at trailheads. Both ends of the actual trail are actively used by farm and residential traffic, and would be blocked by parked cars. Please do not park at these points. Doing so would obstruct users of the Class 4 town road. There is parking at the Volunteer Green in Richmond (just north of the Winooski River Bridge). Also, on the maintained section of Johnnie Brook Road there are some pull-outs used for fishing, etc. Richmond 'Park-and-Ride' is about a half mile from the Route 2 - Johnnie Brook Road intersection.

Features: A link in the Cross Vermont Trail with views of the Winooski River Valley, a bridge over Johnnie Brook, and active farmland.

OLD JERICO ROAD TRAIL

Town: Richmond

Length: 0.7 mile

Surface: Old road bed

Trailhead: From Richmond, take Jericho Road north. Pass under I-89, and turn left on Southview Dr. After crossing a small brook, park in a lot to the left. Trail begins on the other side of the road.

Features: Deep ravine, beautiful rocky brook, stands of hemlock, beech, and maple.

VOLUNTEER GREEN TRAIL

Town: Richmond

Length: 0.4 mile

Surface: Packed dirt

Trailhead: Take I89 South to Richmond exit, turn right after exit onto Rt 2. In Richmond, turn right at light onto Bridge Street and head south. Parking is in the Volunteer Green Park, which is on the right, just before the bridge over the Winooski. The trail begins near the river's edge.

Features: Views of the Winooski River, large stands of cottonwood.

RECREATION

WARREN AND RUTH BEEKEN RIVERSHORE TRAIL

Town: Richmond
Length: 3 miles
Surface: Packed dirt/single track

Trailhead: Take I-89 to the Richmond exit (exit 11). Get on Route 2 going east. Once in Richmond, turn right at the first traffic light onto Bridge Street. From the center of Richmond at the traffic light go down Bridge St. toward the Round Church. Go over the Winooski bridge and just past the Round Church green turn left on Cochran Rd. There are three accesses to the trail on Cochran Rd. The first is just across the street from a small cemetery (parking for one or two cars there on cemetery side or at Volunteer's Green in town.)

The second is in about the middle of the trail at the canoe access about 1.5 miles from the Round Church (parking in the canoe access parking lot.)

The third is at Wheeler Lane, 3 miles from the Round Church or 0.25 miles from the bridge in Jonesville. (This starts along the Huntington River and leads down the Winooski and the trail goes West. Parking is across from the Jonesville post office.)

Features: Spring ephemerals, ostrich ferns, great vistas of the Winooski River Valley. This trail passes through the longest stretch of riparian forest on the Winooski. Currently it is under threat from invasive species.

CATAMOUNT TRAIL

Camel's Hump Rd. - Huntington

From Beaudry's General Store in the village of Huntington, go 2.5 miles south on Main Rd. to Huntington Center. Turn left on Camel's Hump Rd. and go 1.9 miles east and bear right at the fork, crossing a bridge. To reach the CT northbound bear left at the fork (Fielder Rd.) and look for CT trail markers heading into the woods about 75 yards uphill on the right. The southbound trailhead is 100 yards up the road on the right.

NOTE: There is very limited parking available at the CT trailheads on Camel's Hump Rd. The nearest parking lot is located at the Brewster Pierce Elementary School located on Camel's Hump Rd., 1/4 mile from the intersection of Camel's Hump Rd. and Main Rd. in Huntington. A two-mile road walk up Camel's Hump Rd. is required to reach the trailhead.

Bolton Valley Nordic Center - Bolton

From Rte. 2 in the village of Bolton go north on the Bolton Access Rd. approximately 4.5 miles to the Bolton Valley Resort. The Nordic Center is located on the west side of the resort's main parking lot. Check in to get a trail map and pay the trail-use fee.

Bolton Valley Access Rd. - Bolton

From Rte. 2 in the village of Bolton go north on the Bolton Access Rd. approximately 2.9 miles. Before the big S turn in the road there is a wide spot in the plowing on the west (left) side of the road large enough for one or two cars. The CT crosses the Access Rd. from southeast to northwest at this point.

Honey Hollow Parking Area - Bolton

From Rte. 2 in Jonesville take Cochran Rd. across the Winooski River and immediately turn left (east) on Duxbury (River) Rd. The Honey Hollow parking area is located 2.2 miles on the right.

Rte. 2 (Pinneo Brook Rd.) - Bolton

From Jonesville go east on Rte. 2 approximately 5.8 miles to Pinneo Brook Rd. on the north side of Rte. 2. Turn left on Pinneo Brook Rd. and park ONLY on the left (west) side where there are CTA parking signs approximately 1/8 mile in from the intersection with Rte. 2. The landowner has kindly agreed to plow a small parking area so do not block his driveway, gates, vehicles, etc. If you meet him, please be sure to thank him for plowing.

Camel's Hump Skiers Association (CHSA) - Huntington

From the Main Rd. in the village of Huntington, take East St. uphill and bear right at all forks. At the intersection with Taft Rd. stay straight (East St. becomes Bert White Rd.) and continue east and uphill. Turn left on Handy Rd. Go 0.4 miles to the CHSA parking lot on the left. The sign-in shack has maps of the trail system showing how to access the CT. Please pay the CHSA trail fee.

Trapp Rd. - Huntington

From the village of Huntington (Beaudry's General Store) follow Main Rd. south for three miles. Turn left (east) on Trapp Rd. Drive 1.1 miles to the end of plowing in front of a yellow house. Park along the shoulder of the road without blocking the driveway or the snowplow turn-around. To reach the CT, ski south on the unplowed portion of Trapp Rd. 0.7 miles. This is also a snowmobile trail. At a metal gate, turn left and ski up hill on a logging road about half a mile to a log landing, where you will find CT blazes.

Carse Rd. (Beane Trail) - Huntington

From the village of Huntington (Beaudry's General Store) follow Main Rd. south approximately six miles. Turn left (east) on Carse Rd. Stay straight through the intersection of Moody Rd. Look for Beane Trail parking on the left near the top of the hill. To reach the CT, ascend the Beane Trail (stay straight on logging road when Beane turns right). Turn right at the next intersection onto VAST Corridor #17 and climb to the intersection with the CT.

Rte. 17 - Fayston

From the intersection of Rtes. 100 and 17 in Waitsfield, take Rte. 17 west approximately three miles to a driveway on the right (north) side of the road for Battleground Condominiums. As you enter the Battleground complex, turn right BEFORE crossing a covered bridge, and park on the right hand side of the road by the "visitor parking" sign. Do not block access to the dumpster. This is the ONLY designated parking for CT users. Please do not park near the entrance to Battleground nor on any other road in the complex. To ski north, walk back to the Battleground entrance and look for CT blazes heading west along the brook (parallel to and north of Rte. 17).

HIKING

GREEN MOUNTAIN CLUB

PROTECTING AND MAINTAINING THE LONG TRAIL SINCE 1910

Established in 1910, the Green Mountain Club is a private, nonprofit organization with more than 8,000 members. GMC is dedicated to maintaining, managing, and protecting Vermont's historic Long Trail System and advocating for hiking opportunities in Vermont. Every year, more than 500 volunteers work so that future generations may enjoy the 445 mile Long Trail System. Membership is open to all. Dues are \$30 individual and \$40 family.

To learn more about the GMC,
or to become a member, contact:

Green Mountain Club

4711 Waterbury-Stowe Road
Waterbury Center, Vermont 05677
(802) 244-7037
gmc@greenmountainclub.org

Or visit our website at
www.greenmountainclub.org

Hiking information can be found in the Green Mountain Club's guidebooks, the *Long Trail Guide* and *Day Hiker's Guide to Vermont*. Together, these books provide information on nearly all of Vermont's hiking trails. They are available from GMC or area bookstores.

HIKING AND SAFETY TIPS:

1. The ideal hiking season in the Green Mountains is summer and early fall.
2. The average monthly temperature in June, July, and August is in the 60s, in September the high 50s, in October the 40s and early November mid 30s.
3. Insects can be a problem throughout the late spring and summer. "Black fly" season usually lasts from mid-May until mid-June.
4. Vermont's weather is extremely unpredictable, with the possibility of high elevation snowstorms even in summer.
5. If there is any threat of stormy weather, hike at a lower elevation.
6. Wear layers of clothing; cotton not recommended.
7. Bring a compass and maps, first-aid kit, a supply of high energy foods, like nuts and dried fruits, waterproof clothing, a sleeping bag (even for a day hike), water bottle, flashlight, pocketknife and matches.
8. Wear boots with good support and traction. Wear two layers of socks, first layer synthetic, second layer wool.
9. Remove all valuables from your car at the trailhead.
10. Treat, boil, or filter all water before you drink from a stream.
11. Leave your pet at home.
12. Haul all trash out with you when you leave.
13. Camping and fires are restricted on most Vermont lands.
14. Leave your itinerary with a friend.

VERMONT NATURE PROGRAMS

The Department of Forests, Parks and Recreation sponsors a summer naturalist program. From mid-June to Labor Day, naturalists live in parks throughout Vermont and schedule weekly events. Programs may include:

Astronomy
Hikes to unique areas
Guided nature walks
Nature movies
Campfire programs

Guest speakers
Indian and early American crafts
Canoe and boat outings
Visits to historic sites
Junior naturalist activities

Naturalists will also lead programs for groups such as scouts or nature clubs. Naturalists are located at the following parks:
